STATEMENT OF RENTAL POLICY

We are an equal opportunity housing provider. We comply with the Federal Fair Housing Act and all Applicable State housing laws. We do not discriminate against any person because of race, color, religion, sex or sexual orientation, disability, familial status, national origin, or source of income.

1. **Occupancy guidelines.** To Our occupancy standards are governed by the Borough of Lincoln Park, Morris County, New Jersey. Occupants six years of age or younger do not count as an occupant.
2. **Rental Criteria.** To qualify for residency, you must meet the following criteria:
 - **Income.** Your monthly gross income must be at least equal to three times the monthly housing costs. In the case of Section 8 applicants, your monthly gross income must be at least equal to the amount necessary to pay these housing expenses giving consideration to all expenses on this list but only considering your share of your monthly rent.

Landlord requires income verification by receipt of the applicant's tax return for the year preceding the application and/or copies of the applicant's last two pay check stubs showing year to date income. If the applicant is retired or on social security, documentation verifying this income will be required.

If you do not meet the income requirements, a Cosigner or Cosigners will be required. A Cosigner should earn approximately \$80,000 annually and be able to afford their mortgage or rent along with your rent should you default on your account. Same credit history requirements apply as prospective tenant applying.

Rental history. We have the right to disqualify your application, if there is unsatisfactory rental history. If you have ever been evicted or have been sued for any lease violation, and/or account(s) which have not been satisfied.

Credit history. All circumstances are considered in light of the current recession, however your credit record must be satisfactory. We have the right to disqualify your application, if there are any prior unpaid judgments or bankruptcies within two years prior to the application, any unpaid credit accounts (excluding any unpaid accounts for medical services in an amount less than \$1000.00), habitual late payment or credit accounts closed by the creditor due to the applicant's failure to pay in accordance with his agreement.

Mortgage. If you are selling a home and have a mortgage, we would require a fully executed copy of the Contract of Sale signed by both parties. This will enable us to accurately calculate the debt ratio based on the sale of the home.

Criminal history. If you or any of your proposed occupants have ever been convicted of or plead guilty to a felony, (or in New Jersey a crime of the fourth degree or greater) we will reject your application. If you or any of your proposed occupants have been convicted of or plead guilty to a misdemeanor (or in New Jersey a disorderly persons offense) involving dishonesty, property damage, or violence within the past ten years, we will reject your application.

Application process: We evaluate every tenancy application in the following manner: You must sign an application form which confirms that you have read the application instructions and you were advised of the new rent you will be charged. You must submit a rental application and answer **all questions** on the form. (All Section 8 applicants must provide a copy of their Request For Tenancy Approval Voucher from their Rental Assistance Program).

Incomplete applications will be returned to the applicant. If they remain incomplete the application will be

rejected. (For section 8 applicants before an approval of the housing unit including rent and a written commitment to pay the rent is received by the Landlord from the Housing assistance provider.)

In order for your application to be processed, you must pay the following \$50.00 non-refundable application fee (includes credit check, criminal and social security check) for each applicant for tenancy that will live in the apartment. Once a completed application is received, we will then determine from your responses to the application questions if you qualify for the tenancy based upon rental history, income and/or credit history. If you do not, we will reject your application.

We will then check your credit report, employment and rental references to confirm that they meet our rental criteria and that they agree with your application.

If you meet our rental criteria, we will approve your application. The amount of time this process takes may vary depending upon the information required and the responsiveness of third parties to provide this information.

We will process an application only if proper identification for each person listed as a prospective tenant and resident are provided to the rental office. This includes a copy of the prospective residents' driver's license and social security cards.

I hereby acknowledge reading everything that has been typed above. I acknowledge that I understand it all, all of my questions have been answered by the Landlord's representative who has given me this document and I agree to comply with this application process. I acknowledge that if I find any of these requirements to be objectionable that I have the right to seek housing elsewhere.

Prices are subjected to change.
